

Statement regarding Coronavirus, COVID-19

Statement last updated: Thursday 12th March 2020

TCI Group has resumed International operations which includes China.

All European countries are operational and are not currently affected.

If any orders are affected this will be communicated immediately via our customer service teams.

We will continue to observe the WHO and local government announcements and update.

We are doing our best to continue to serve our customers and deliver products on time and are minimising public meetings.

TCI are committed to the safety and health of our customers, employees and their families.

You can find the latest update concerning the COVID-19 infections in Europe in the attached overview.
