

## SAFETY DATA SHEET

GHS classification in accordance with the OSHA Hazard Communication Standard (29 CFR 1910.1200) (OSHA HCS)

### SECTION 1. IDENTIFICATION

Product name : 4-Chloro-3,5-dimethylphenol  
Product code : C0161

#### Manufacturer or supplier's details

Company name of supplier : TCI America  
Address : 9211 N. Harborage Street Portland, OR 97203 U.S.A.  
Telephone : +1-800-4238616/+1-503-2831681  
Telefax : +1-888-5201075/+1-503-2831987  
E-mail address : sales-US@TCIchemicals.com

Chemical Emergencies: TCI America (8:00am - 5:00pm) PST +1-503-2867624

Transportation Emergencies: Chemtrec 24-Hour +1-800-4249300 (U.S.A.)/+1-703-5273887 (International)

#### Recommended use of the chemical and restrictions on use

Recommended use : Use as laboratory reagent

### SECTION 2. HAZARDS IDENTIFICATION

#### GHS classification in accordance with the OSHA Hazard Communication Standard (29 CFR 1910.1200)

Skin irritation : Category 2  
Eye irritation : Category 2A  
Skin sensitization : Category 1  
Short-term (acute) aquatic hazard : Category 1  
Long-term (chronic) aquatic hazard : Category 1

#### GHS label elements

Hazard pictograms :

Signal Word : Warning  
Hazard Statements : H315 Causes skin irritation.  
H317 May cause an allergic skin reaction.  
H319 Causes serious eye irritation.  
H410 Very toxic to aquatic life with long lasting effects.

Precautionary Statements : **Prevention:**  
P261 Avoid breathing dust/ fume/ gas/ mist/ vapors/ spray.  
P264 Wash skin thoroughly after handling.  
P272 Contaminated work clothing must not be allowed out of the workplace.  
P273 Avoid release to the environment.  
P280 Wear protective gloves/ eye protection/ face protection.  
**Response:**  
P302 + P352 IF ON SKIN: Wash with plenty of soap and water.  
P305 + P351 + P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.  
P333 + P313 If skin irritation or rash occurs: Get medical advice/ attention.  
P337 + P313 If eye irritation persists: Get medical advice/ attention.  
P362 Take off contaminated clothing and wash before reuse.  
P391 Collect spillage.

#### Disposal:

P501 Dispose of contents/ container to an approved waste disposal

plant.

Other hazards  
None known.

SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Substance / Mixture : Substance

Components

| Chemical name               | CAS RN  | Concentration (% w/w) |
|-----------------------------|---------|-----------------------|
| 4-Chloro-3,5-dimethylphenol | 88-04-0 | >= 90 - <= 100        |

Actual concentration is withheld as a trade secret

SECTION 4. FIRST AID MEASURES

If inhaled : Remove person to fresh air and keep comfortable for breathing. Get medical advice/ attention if you feel unwell.

In case of skin contact : Take off all contaminated clothing immediately. Wash off with plenty of water. If skin irritation or rash occurs: Get medical advice/ attention.

In case of eye contact : Rinse with plenty of water. If easy to do, remove contact lens, if worn. If eye irritation persists: Get medical advice/ attention.

If swallowed : Call a POISON CENTER or doctor/ physician if you feel unwell. Rinse mouth.

Most important symptoms and effects, both acute and delayed : None known.

SECTION 5. FIRE-FIGHTING MEASURES

Suitable extinguishing media : Dry powder, Foam, Water spray, Carbon dioxide (CO2)

Specific hazards during fire fighting : No information available.

Specific extinguishing methods : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. Immediately evacuate personnel to safe areas. Remove undamaged containers from fire area if it is safe to do so.

Special protective equipment for fire-fighters : Use personal protective equipment.

SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures : Wear suitable protective equipment. Keep people away from and up-wind of spill/leak. Entry to non-involved personnel should be controlled around the leakage area by roping off, etc.

Environmental precautions : Should not be released into the environment.

Methods and materials for containment and cleaning up : Pick up and arrange disposal without creating dust.

SECTION 7. HANDLING AND STORAGE

Technical measures : Prevent dispersion of dust.

Local/Total ventilation : Ensure adequate ventilation. Use a local exhaust ventilation.

Advice on safe handling : Avoid contact with skin, eyes and clothing. Wear personal protective equipment. Wash hands and face thoroughly after handling.

Conditions for safe storage : Keep container tightly closed. Store in a cool and shaded area.

SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Ingredients with workplace control parameters  
Contains no substances with occupational exposure limit values.

Engineering measures : Install a closed system or local exhaust. Also install safety shower and eye bath.

**Personal protective equipment**

|                          |   |                             |
|--------------------------|---|-----------------------------|
| Respiratory protection   | : | Dust mask                   |
| Hand protection          | : | Protective gloves           |
| Eye protection           | : | Safety glasses, Face-shield |
| Skin and body protection | : | Protective suit             |

\*Use personal protective equipment(PPE) approved under appropriate government standards and follow local and national regulations.

**SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES**

|                                                  |   |                          |
|--------------------------------------------------|---|--------------------------|
| Appearance                                       | : | Solid form               |
| Color                                            | : | white - orange           |
| Odor                                             | : | No data available        |
| Odor Threshold                                   | : | No data available        |
| pH                                               | : | No data available        |
| Melting point/freezing point                     | : | 239 °F / 115 °C          |
| Boiling point/boiling range                      | : | 475 °F / 246 °C          |
| Flash point                                      | : | No data available        |
| Flammability (solid, gas)                        | : | No data available        |
| Upper explosion limit / Upper flammability limit | : | No data available        |
| Lower explosion limit / Lower flammability limit | : | No data available        |
| Vapor pressure                                   | : | 0.03 kPa (77 °F / 25 °C) |
| Relative vapor density                           | : | No data available        |
| Relative density                                 | : | No data available        |
| Solubility(ies)                                  | : |                          |
| Water solubility                                 | : | very slightly soluble    |
| Solubility in other solvents                     | : |                          |
| soluble                                          | : | Methanol                 |
| Partition coefficient: n-octanol/water           | : | 3.48                     |
| Autoignition temperature                         | : | No data available        |
| Decomposition temperature                        | : | No data available        |
| Viscosity                                        | : |                          |
| Viscosity, dynamic                               | : | No data available        |
| Viscosity, kinematic                             | : | No data available        |
| Molecular weight                                 | : | 156.61 g/mol             |

**SECTION 10. STABILITY AND REACTIVITY**

|                                    |   |                                                                           |
|------------------------------------|---|---------------------------------------------------------------------------|
| Reactivity                         | : | No data available                                                         |
| Chemical stability                 | : | Stable under normal conditions.                                           |
| Possibility of hazardous reactions | : | None under normal processing.                                             |
| Incompatible materials             | : | Oxidizing agents, Strong bases                                            |
| Hazardous decomposition products   | : | Carbon monoxide, Carbon dioxide (CO <sub>2</sub> ), Hydrogen chloride gas |

**SECTION 11. TOXICOLOGICAL INFORMATION****Acute toxicity**

|                                                 |   |                                              |
|-------------------------------------------------|---|----------------------------------------------|
| Acute oral toxicity                             | : | LD50 (Rat): 3,830 mg/kg                      |
|                                                 |   | LDLo (Humans, female): 6 g/kg                |
| Acute toxicity (other routes of administration) | : | LD50 (Mouse): 115 g/kg                       |
|                                                 |   | Application Route: Intraperitoneal injection |

**Skin corrosion/irritation**

|        |   |                 |
|--------|---|-----------------|
| Result | : | Skin irritation |
|--------|---|-----------------|

**Serious eye damage/eye irritation**

|        |   |                |
|--------|---|----------------|
| Result | : | Eye irritation |
|--------|---|----------------|

**Respiratory or skin sensitization**

|            |   |                                          |
|------------|---|------------------------------------------|
| Assessment | : | May cause sensitization by skin contact. |
|------------|---|------------------------------------------|

|                               |                                                                                                                                                          |
|-------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Germ cell mutagenicity</b> | : No information available.                                                                                                                              |
| <b>Carcinogenicity</b>        |                                                                                                                                                          |
| <b>IARC</b>                   | No ingredient of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC. |
| <b>OSHA</b>                   | No component of this product present at levels greater than or equal to 0.1% is on OSHA's list of regulated carcinogens.                                 |
| <b>NTP</b>                    | No ingredient of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.                 |
| <b>Reproductive toxicity</b>  | : No information available.                                                                                                                              |
| <b>STOT-single exposure</b>   | : No information available.                                                                                                                              |
| <b>STOT-repeated exposure</b> | : No information available.                                                                                                                              |
| <b>Repeated dose toxicity</b> | : No information available.                                                                                                                              |
| <b>Aspiration toxicity</b>    | : No information available.                                                                                                                              |
| <b>RTECS No.</b>              | : ZE6850000 (4-Chloro-3,5-dimethylphenol)                                                                                                                |

## SECTION 12. ECOLOGICAL INFORMATION

### Ecotoxicity

#### Ecotoxicology Assessment

|                          |                                                         |
|--------------------------|---------------------------------------------------------|
| Acute aquatic toxicity   | : Very toxic to aquatic life.                           |
| Chronic aquatic toxicity | : Very toxic to aquatic life with long lasting effects. |

#### Persistence and degradability

No data available

#### Bioaccumulative potential

|                                        |        |
|----------------------------------------|--------|
| Partition coefficient: n-octanol/water | : 3.48 |
|----------------------------------------|--------|

#### Mobility in soil

No data available

#### Other adverse effects

#### Product:

|                           |                                                                                                                                                                                                                                                                                                                  |
|---------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ozone-Depletion Potential | : Regulation: 40 CFR Protection of Environment; Part 82 Protection of Stratospheric Ozone - CAA Section 602 Class I Substances<br>Remarks: This product neither contains, nor was manufactured with a Class I or Class II ODS as defined by the U.S. Clean Air Act Section 602 (40 CFR 82, Subpt. A, App.A + B). |
|---------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## SECTION 13. DISPOSAL CONSIDERATIONS

### Disposal methods

|                        |                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Waste from residues    | : Disposal in accordance with local and national regulations. Entrust disposal to a licensed waste disposal company.         |
| Contaminated packaging | : Disposal in accordance with local and national regulations. Before disposal of used container, remove contents completely. |

## SECTION 14. TRANSPORT INFORMATION

### International Regulations

#### IATA-DGR

|                      |                                                      |
|----------------------|------------------------------------------------------|
| UN/ID No.            | : UN 3077                                            |
| Proper shipping name | : Environmentally hazardous substance, solid, n.o.s. |
| Class                | : 9                                                  |
| Packing group        | : III                                                |

#### IMDG-Code

|                      |                                                      |
|----------------------|------------------------------------------------------|
| UN number            | : UN 3077                                            |
| Proper shipping name | : ENVIRONMENTALLY HAZARDOUS SUBSTANCE, SOLID, N.O.S. |
| Class                | : 9                                                  |
| Packing group        | : III                                                |

EmS Code : F-A, S-F  
Marine pollutant : yes

**Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code**

Not applicable for product as supplied.

**Domestic regulation****49 CFR**

UN/ID/NA number : UN 3077  
Proper shipping name : Environmentally hazardous substance, solid, n.o.s.  
Class : 9  
Packing group : III  
ERG Code : 171  
Marine pollutant : no

**Special precautions for user**

The transport classification(s) provided herein are for informational purposes only, and solely based upon the properties of the unpackaged material as it is described within this Safety Data Sheet. Transportation classifications may vary by mode of transportation, package sizes, and variations in regional or country regulations.

---

**SECTION 15. REGULATORY INFORMATION****CERCLA Reportable Quantity**

This material does not contain any components with a CERCLA RQ.

**SARA 304 Extremely Hazardous Substances Reportable Quantity**

This material does not contain any components with a section 304 EHS RQ.

**SARA 302 Extremely Hazardous Substances Threshold Planning Quantity**

This material does not contain any components with a section 302 EHS TPQ.

**SARA 311/312 Hazards** : No SARA Hazards

**SARA 313** : This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

**Clean Air Act**

This product neither contains, nor was manufactured with a Class I or Class II ODS as defined by the U.S. Clean Air Act Section 602 (40 CFR 82, Subpt. A, App.A + B).

This product does not contain any hazardous air pollutants (HAP), as defined by the U.S. Clean Air Act Section 112 (40 CFR 61).

This product does not contain any chemicals listed under the U.S. Clean Air Act Section 112(r) for Accidental Release Prevention (40 CFR 68.130, Subpart F).

This product does not contain any chemicals listed under the U.S. Clean Air Act Section 111 SOCM I Intermediate or Final VOC's (40 CFR 60.489).

**Clean Water Act**

This product does not contain any Hazardous Substances listed under the U.S. CleanWater Act, Section 311, Table 116.4A.

This product does not contain any Hazardous Chemicals listed under the U.S. CleanWater Act, Section 311, Table 117.3.

This product does not contain any toxic pollutants listed under the U.S. Clean Water Act Section 307

**US State Regulations****Massachusetts Right To Know**

No components are subject to the Massachusetts Right to Know Act.

**Pennsylvania Right To Know**

4-Chloro-3,5-dimethylphenol 88-04-0

**Maine Chemicals of High Concern**

Product does not contain any listed chemicals

**Vermont Chemicals of High Concern**

**SECTION 16. OTHER INFORMATION**

Revision Date : 12/12/2024

This SDS was prepared sincerely based on the information obtained, however, any warranty shall not be given regarding the data contained and the assessment of hazards and toxicity. Prior to use, please investigate not only the hazards and toxicity information but also the laws and regulations of the organization, area and country where the products are to be used, which shall be given the first priority. The products are supposed to be used promptly after purchase in consideration of safety. Some new information or amendments may be added afterwards. If the products are to be used far behind the expected time of use or you have any questions, please feel free to contact us. The stated cautions are for normal handling only. In case of special handling operations, sufficient care should be taken, in addition to the safety measures suitable for the given situation. All chemical products should be treated with the recognition of "having unknown hazards and toxicity", which differ greatly depending on the conditions and handling when in use and/or the conditions and duration of storage. The products must be handled only by those who are familiar with specialized knowledge and have experience or under the guidance of those specialists throughout use from opening to storage and disposal. Safe usage conditions shall be set up on each user's own responsibility.
